The fees shown above represent a 25% reduction for the 2nd child and a 50% reduction for the 3rd child. No fee is charged for a family's 4th and 5th child.

There is also a School Governance Fee of \$143 pa per family which is charged on your Term 1 invoice. This fee covers the cost of school governance meetings and correspondence and is payable by all school families.

The above fees are inclusive of all camps, excursions and textbooks.

### How do I work out the total fees for my family?

Select the relevant fees in the table above for each of your children (1st child is your oldest child, 2nd child your second oldest etc), then add the School Governance Fee.

For example, if you had 3 students in Kindy, Year 3 & Year 6, your total fee would be: \$7,000 + \$4,950 + \$2,450 = \$14,400.

### Family Enrolment Deposit

A family enrolment deposit of \$1,000 is payable to confirm the enrolment of the first child in each new family. The family enrolment deposit is refundable after the last child leaves the school provided each child has been enrolled for a school year and that the required notice of withdrawal has been provided.

### Secondary School Elective Course costs

Tuition fees do not cover:

- TAFE and Distance Education course costs
- Cost for tool kit and materials (TAS - Hospitality).
- Materials for major work and some specialised project materials in Years 9, 10, 11 and 12.
- Graphics - Drawing equipment can be ordered from the school and some specialised equipment may need to be supplied by the student.
- Musical instrument hire charges.
