

Position Description

Secondary Mathematics Teacher

Part time Position

Wycliffe Christian School is a Preschool to Year 12 co-educational Christian school located in the beautiful lower Blue Mountains. Together with Wycliffe Hope School, Wycliffe Christian School is an inclusive learning community in which families and their children are able to flourish as they make the most of their God-given talents and abilities.

We are inviting applications from committed Christians of evangelical persuasion who are active in their local church, to apply for the position of Secondary School Mathematics and Science Teacher at Wycliffe Christian School, commencing in 2022.

Essential Qualities

- Be deeply committed to Christian education
- Have the ability to teach Year 7 - 12
- Demonstrate a passion for teaching, and a deep knowledge of Mathematics
- A commitment to service and to excellence in teaching and learning
- Ability to work collaboratively with others and within a team environment
- Have specific skills in the application of ICT in the classroom

Highly Desirable

- Capacity to teach both Mathematics and Physics

Duties and Responsibilities

- Assess student's skills and learning requirements
- Maintaining effective methods of monitoring and tracking student progress
- To be flexible and respond to current needs as they occur
- Follow things through to their conclusion
- Display strong written/verbal communication skills
- Management and pastoral care of students
- Collaborate and reporting to parents
- Curriculum planning
- Supervision duties
- Willing to assist with co-curricular activities such as school camps, sporting and cultural activities, as part of a whole staff team
- Participate in regular staff meetings

Salary will be in line with the school's Multi-Enterprise Agreement at the level of responsibility and experience of the successful applicant.
